Dear Sir / Madam

Design and Construction Supplementary Planning Document Consultation

A Supplementary Planning Document (SPD) has been produced relating to Design and Construction as part of Warrington Borough Council's Local Development Framework. The SPD sets out the council's approach regarding design considerations that can be incorporated in the production and determination of planning applications.

Although in advance of the Core Strategy, the context of the SPD conforms to wider national, regional and local planning policy framework. The aim of the SPD is to expand on the Unitary Development Plan planning policy framework, to highlight development opportunities and provide more detail on design related policies.

The consultation will start on Monday 26th April 2010 and will run for 6 weeks until Friday 4th June 2010. The document can be viewed and comments made at:
<http://warrington.limehouse.co.uk/portal/planning/spd>

Please submit any comments on line or in writing using the contact details below:
